CA. Agarwal Vishnu Kumar

Chairman: Western India Regional Council of ICAI (2017-18)

Serial **2** on BALLOT
No. **2** PAPER

Dear Professional Colleagues,

I take this opportunity to introduce myself once again to Members, some of whom I have been interacting with through seminars, conferences, study circle meetings and others with whom I have had the privilege of being personally connected. I, Vishnu Kumar Agarwal, being a notable leader of WIRC, having served in the capacity as Chairman in 2017 and having served as Regional Council Member during the period 2010-2019, got an opportunity to play a dynamic role in several key initiatives that were taken for benefits of members & students in the past and with the constant encouragement of my seniors and colleagues present myself as a suitable candidate, for the forthcoming Central Council Elections of ICAI-2024.

I submit with humility that I will continue to serve the cause of the profession selflessly and to the best of my ability without any fear or favour. I will put all my best efforts to render dedicated services from time to time to further the cause of our profession.

CA. Agarwal Vishnu Kumar

Chairman: Western India Regional Council of ICAI (2017-18)

No. **2** PAPER

Election Manifesto for CA Community

1. **Creating an Indian Big 4**

Promote mergers and specialization to elevate Indian CA firms to global prominence.

2. **Inspiring Young CAs**

Launch mentorship programs and workshops to guide and motivate young CAs to enter into practice.

3. **Providing Zero-Cost Infrastructure**

Ensure co-working spaces and free software for new CAs to start their practice without financial burden.

4. **Empowering Female CAs**

Champion flexible work options and subsidized childcare to encourage more women, especially after marriage, to join and thrive in practice.

5. **Supporting Small & Medium Practitioners**

Advocate for fair audit assignments and access to government tenders for small and medium CA firms.

6. **Offering Low-Cost Technology**

Provide cloud-based software and AI-powered tools at minimal or no cost to help CAs streamline their practice.

7. **Addressing NFRA Concerns**

Simplify NFRA regulations and audits, making compliance easier for small and medium practitioners.
